

TEC task force on mitigation

Work undertaken since TEC 14

Technology Executive Committee, 15th meeting
Bonn, Germany, 12 – 15 September 2017

Ms. Claudia Octaviano

TEC member and member of the task force on mitigation

TEC workplan 2016-2018: Mitigation

Activity 5: Provide input to the assessment of the TEP

- Provide inputs to the assessment to improve the TEP effectiveness in 2017 as per decision 1/CP 21, paragraph 113.

Activity 6: Take forward TEP outcomes

- Take forward TEP outcomes, taking into account the policy options, and identify gaps and replicable best practices or enabling policy conditions for NDCs, as possible topics for TEC Brief and/or a thematic dialogue

Activity 21: Provide inputs and updates for the organization of TEMs

- Provide updates during the TEM-M
- Organize/host a thematic session during TEM-M
- Engage with High-level champions

Work of the task force:

Activity 5: Provide input to the assessment of the TEP

- Draft input of the TEC to the assessment of the TEP.

Activity 6: Take forward TEP outcomes

- Thematic dialogue on industrial energy efficiency and material substitution in carbon-intensive sectors during TEC 14.
- Draft TEC Brief on industrial energy efficiency and material substitution in carbon-intensive sectors.
- Draft executive summaries and key messages for COP 23.

Activity 21: Provide inputs and updates for the organization of TEMs

- Thematic session on "Innovative policy and technology solutions for sustainable urban development" during TEM on mitigation in May 2017.
- TEC Chairs inputs on potential collaboration that mutually beneficial to work of the TEC and Marrakesh Partnership for Global Climate Action in May 2017.

Work during TEC 15 & Expected outcomes

Agenda item 5(c)i: TEC Brief on industrial energy efficiency and material substitution in carbon-intensive sectors

The task force will present the draft TEC Brief and the draft executive summaries to tailored target groups

- The TEC is invited to provide comments on the draft TEC Brief and the draft executive summaries, with a view to finalizing them after TEC15.

Agenda item 5(c)ii: Inputs to the assessment of the technical examination process on mitigation to improve its effectiveness

The task force will present the draft inputs identifying areas and options that could be considered for the assessment of the TEP-M.

- The TEC is invited to consider and agree on the draft inputs to the assessment of the TEP-M.
