

Agenda item 7 (b)

Report on activities and performance of the Technology Executive Committee

Technology Executive Committee, 15th meeting
Bonn, Germany, 12-15 September 2017

Andrea Camponogara, Programme Officer
Finance, Technology and Capacity-Building Programme

Background

- COP 20 decided that the TEC and the CTCN shall continue to prepare a joint annual report to the COP.
- TEC 14 agreed that only one joint annual report should be prepared for both the COP and CMA.
- According to the agreed procedures the report contains the following sections:
 - Joint chapter of the TEC and the CTCN (*agenda item 7(c)*);
 - Report of the TEC;
 - Report of the CTCN.
- This year, the TEC report also contains a new section on “Challenges and lessons learned” in response to the invitation of COP 22.
- Key messages to COP 23 are contained in the Annexes (*agenda item 7(a)*)

TEC report for 2017

- Section A – Organizational matters
 - Membership, TEC meetings and other events
- Section B - Update and implementation of the rolling workplan of the Technology Executive Committee for 2016-2018
 - Update of the workplan, implementation of the workplan, collaboration with institutions and other stakeholders, communication and outreach
- Section C – Challenges and lessons learned
- Section D – Key messages to the COP

Expected action

- The TEC is invited to provide guidance and to mandate the Chair and Vice-Chair of the TEC to finalize the section on annual report of the TEC for 2017.

Thank you!
