

## Agenda item 4.1

Paragraph 25 of the annotated agenda, Annex 7

# Standard: Standardized baselines for A/R CDM Project Activities

**CDM EB 102**

Bonn, Germany, 25 to 28 March 2019

### **Mandate**

- The Board, at its 101st meeting, adopted the standard “Establishment of sector-specific standardized baselines”
- The Board requested the secretariat to reclassify the "Guideline: Establishment of standardized baselines for afforestation and reforestation project activities under the CDM", as a standard, for consideration by the Board at a future meeting.

## Key issues and proposed solutions

---

- The document "Guideline: Establishment of standardized baselines for afforestation and reforestation project activities under the CDM" has been reclassified as a standard
- Changes proposed can be seen in document contained in annex 7 to these annotations.

## Recommendations to the Board

---

The Board may wish to adopt the standard “Establishment of standardized baselines for afforestation and reforestation project activities under the CDM”, as contained in annex 7 to the annotations.

## Subsequent work and timelines

---

- No further work is foreseen.

---

Thank you!
